FOR IMMEDIATE RELEASE

CAPITAL AREA FOOD BANK ANNOUNCES FREE SUMMER MEALS FOR CHILDREN IN PRINCE GEORGE'S COUNTY

Funded by USDA, meals will be provided to children free of charge

Washington, DC, 6/1/16 – Summer is a hard time for children who rely on school meals to receive the balanced nutrition they need to thrive. Continuing its commitment to providing access to good food in every community, the Capital Area Food Bank has announced that it will once again provide free summer meals to children throughout the Washington metro area. The Free Summer Meals Program (FSMP), for which the food bank will be an acting program sponsor, is funded by the US Department of Agriculture.

Over 128,000 residents of Prince George's County struggle to get the food they need; of those, 15% are children. Food insecure children are more likely to experience stomachaches, headaches, colds, ear infections, and fatigue. They are sick more often, recover more slowly, and are more likely to be hospitalized.

During the school year, The Capital Area Food Bank operates afterschool and weekend meals programs called Kids Cafe® and Weekend Bag. Both of these programs fill meal gaps, supplementing school-based federal free or reduced price breakfasts, lunches, afterschool snacks and dinners. Meal service is extended in the summertime with many sites offering daily breakfasts, lunches, snacks and suppers. Additionally, the CAFB's Weekend Bag program provides bags of pantry staples and fresh produce for children and their families over the weekend when school is out of session.

Meals will be provided at sites and times as follows:

About the Capital Area Food Bank

The Capital Area Food Bank is the largest organization in the Washington metro area working to solve hunger and its companion problems: chronic undernutrition, heart disease and obesity. By partnering with nearly 450 community organizations in DC, Maryland and Virginia, as well as delivering food directly into hard to reach areas, the CAFB is helping 540,000 people each year get access to good, healthy food. That's 12 percent of our region's mothers, fathers, sons, daughters, sisters, brothers, and grandparents.
