

Good food today.
Brighter futures
tomorrow.

Why do we collect data?

What: We will collect basic information from each household attending our food distribution. (For our purposes, “household” means people who live together and share food.) All information is **ANONYMOUS** and **CONFIDENTIAL**. Your answers will not affect your ability to receive food here now or in the future. Questions you will be asked include:

1. Is this your household’s first-time accessing food here?
2. How many people live in your household?
3. How many children (0-5, 6-11, 12-17) live in your household?
4. How many older adults (60+) live in your household?
5. How many veterans live in your household?
6. Is your household receiving SNAP/ EBT/Nutrition Assistance?
**You can still receive food even if you do/ do not receive SNAP*

Who: You will either be asked to fill out the questions on your own, or someone from our team will ask you the questions.

Where: This information will be collected at our site when you pick up food here.

When: We will ask you these questions at each distribution you attend.

Why: To ensure we can provide the right types and amount of food to meet everyone’s needs.
