

Fruit Smoothie

Servings: 3

Diet: Vegetarian & Gluten-Free

Ingredients

- 1 cup low fat milk or non-dairy milk of your choice
- 1 cup fresh, frozen or canned fruit (or combination), chopped
- 1 banana
- 1 cup ice (if not using frozen fruit)
- Optional: Greek yogurt, vanilla extract, cinnamon, turmeric, ginger, nutmeg, cardamon, cocoa power, fresh mint

Instructions

STEP 1: Pour milk into a blender. Add fruit, banana and optional ice and yogurt/spices. Blend until smooth.

STEP 2: Adjust taste by adding more milk if too thick or by adding more frozen fruit or ice if too thin.

- **Did you know?** Spices don't just add flavor! Many have antioxidants, which protect your body's cells from damage.
- **Nutrition Boost:** Add kale or spinach for more nutrients.
- **Make it Vegan:** Use plant-based milk or yogurt for a creamy vegan smoothie.
