Food Drive Starter Kit

CAPITAL AREA FOOD BANK®

Organizing Your Drive

- First thing first - register your food drive!
- Plan how long your drive will last. Try focusing on a single-day or a specific time period to build momentum.
- Pick a strategic location to place your collection boxes. Focus on high traffic areas when people will see them often.

Promoting Your Drive

Spread the word about your food drive

- send email blasts
- utilize social media
- hang up flyers
- make it a competition
